

## **Directions to Metal Walking**

If coming by train, when exiting the train station follow the road to the right. You will go past a police station and a multi story car park will be ahead of you. Before reaching the multi story car park take the turning on the right hand side. Follow the path until you reach an underpass.

Walk straight through the underpass until you reach a set of stairs on your left hand side. Walk up the stairs and turn left and then immediate right, walk down the street passing a pub called 'The Drapers Arms' on your left hand side. Walk to the end of the street heading towards the Cathedral until you reach HSBC bank.

Turn right here then turn left next door to the Argo Lounge / The Steakhouse and walk through the arcade. Turn right at the end of the arcade and follow the road down, Metal will be on your left hand side. Look out for our stone arches entrance and AstroTurf in our car park.

If coming by car, the nearest car park is Car Haven Car Park ([Car Haven Car Park, Bishop's Rd, Peterborough PE1 1YX](#)) based behind our building. Once parked, walk out of the main junction and take a right. There is a stone archway down on the right.
